Student Chromebook Agreement

Student Responsibilities

- I will take good care of my Chromebook and know where my Chromebook is at all times.
- I will never leave my Chromebook unattended and lock it up when it is not being used.
- I will never loan out my Chromebook to other students.
- I will keep food and beverages away from my Chromebook as they may cause damage.
- I will not disassemble any part of my Chromebook or attempt any repairs.
- I will take care of school-owned Chromebooks and other students’ Chromebooks.
- I will charge my Chromebook daily to ensure it is fully charged for each school day.
- I will use my Chromebook in ways that are appropriate, meet Bayside Christian College’s policies and expectations, and are educational.
- I understand that my Chromebook is subject to inspection at any time without notice, and will provide any security information to access all content on my Chromebook.
- I will file a police report in case of theft, vandalism, or other acts covered by insurance as well as report to Bayside Christian College.
- I will be responsible for all damage or loss of any Chromebook that is caused by my neglect or abuse.
- I will follow the policies outlined in the Bayside Christian College Student Chromebook Policy.

I understand that the Internet can connect me to much useful information stored on computers around the world. While I have access to the Internet at the College:

- I will use it only for educational purposes.
- I will not look for anything that is illegal, dangerous, or offensive.
- If I accidentally come across something that is illegal, dangerous or offensive, I will:
  - clear any offensive pictures or information from my screen or ICT devices and then immediately and quietly inform my teacher.
  - I will not use the Internet or email to annoy, offend or harass anyone else.
Computer Network and Internet Agreement

I understand that the College monitors both the Internet and local computer network usage and if the College decides I have broken these rules, appropriate action will be taken. Any attempt to circumvent the College network policies or put at risk the security of the network or other computers on any network will be considered a breach of this agreement.

The consequence of this may include the College limiting my access to computer facilities and/or loss of my Internet and email access for some time, and may also incur harsher disciplinary action at the discretion of the College Leadership. Serious and unlawful actions will lead to police notification.

Students experiencing difficulties with computers or the network are asked to report the matter to the ICT Department and/or their teacher.

I have read and agree to the conditions set forth in the Bayside Christian College Student Chromebook Policy and the Computer and Internet Acceptable Use Policy.

Parent Chromebook Policy Agreement

As a Parent/Carer of a student at Bayside Christian College we require you to accept the Policy we have provided for your student/s. We also ask you to take your part as a parent/carer to support the policy and help educate your child in the area of technology and the safe use of the internet (Cybersafety)

Parent/Carer Responsibilities

๏ Talk to children about the values and standards that your children should follow on the use of the Internet just as you would on the use of other media information sources such as television, telephones, movies, or radio.

๏ Understand that the child and parent hold full responsibility for their device and will not hold Bayside Christian College liable for any breakages, vandalism or loss of device that occur outside of the College or through misuse or abuse of the Chromebook at the College.

๏ Make sure that the required College Apps are installed on the Chromebooks.

๏ Understand that students under the age of 13 may not take part in age restricted social networking sites such as Facebook.

๏ Understand that students may not access any sites or applications that are deemed to be inappropriate on any computer device while at the College.
