Why a Uniform?

Since the earliest days of Bayside Christian College, the distinct preference amongst the members of the school community has been that the students wear a uniform. The purpose was never to make everyone the same – God made us as individuals – but to promote the identity of the College in both the internal and external community. It is our desire to continue this tradition.

Our desire is for students to wear their uniform with pride, as representatives of Bayside Christian College, in a way that respects our Dress Code and honours God.

Uniform by Learning Areas

Bayside Christian College consists of three learning areas:

- Early Learning Centre (3 & 4 year olds)
- Primary School (Prep to Year 6)
- Secondary School (Years 7 to 12)

Each learning area has specific uniform requirements which cater for the needs of students of differing ages in a way that is consistent with the overall theme of the uniform.

The Dress Code

The following 'Code' is designed to promote the correct wearing of uniform:

1. The uniform should be complete, correct, clean and worn neatly at all times. Items are to be ironed and shoes are to be polished. Uniform items should be kept in good repair and of correct/appropriate size according to the relevant uniform list. Any deviation from the wearing of the uniform should be a short-term situation, and only allowable under the 'Out of Uniform Guidelines'.
2. **Dress length:** the hem is to be no shorter than level with the centre of the knee. The preferred length is below the knee.
3. **The length of shorts** are to be no longer than level with the centre of the knee.

4. When open-necked **shirts** are worn (Terms 1 & 4) the only button to be undone is the collar button, except when expressly stated.
5. It is strongly advised that girls in the Primary School wear navy blue or black 'shorties' under their uniform for modesty reasons. Otherwise, there should be no visible addition to the uniform, e.g. a t-shirt which shows through the white shirt, or bike shorts worn under the dress or skirt.
6. **Shoes** should be sturdy, polishable black leather school shoes with a low-profile sole and heels no greater than 3cm. Stitching on the shoes is only acceptable where it is black and serves a functional purpose. No dress shoes, party shoes, sandals or skate shoes are permitted. Shoes must be worn correctly with laces, buckles or Velcro secured at all times to avoid injury.
7. There should be no visible **jewellery** apart from a watch and/or a plain gold or silver studs or sleepers. A single earring only may be worn at the centre of the earlobe in either or both ears. In the Secondary School, a second earring may be worn in each ear provided it is clear plastic only. No additional piercings, including nose studs and rings, are allowed, nor are Band-Aids to be placed over piercings. Bracelets for emergency medical purposes may be worn where certified by a medical practitioner.
8. **Makeup**, including nail polish, is not to be worn. In the Secondary School, a light foundation may be used to cover blemishes.
9. **Hair** is to be styled conservatively, be a natural colour, and not cover the face. Hair longer than the base of the collar must be tied back neatly. All hair-ties should be solid College colours - navy, maroon, white or black. Hair ties made from the summer dress material may only be worn with the summer uniform.
10. Male students are to be **clean-shaven**.
11. **Approved College hats** are compulsory for all outside activities for all ELC to Year 12 students during Terms 1 and 4.
12. On all **formal occasions** such as photo day, Secondary excursions and assemblies, and/or as designated by the Head of School, students are required to wear the formal College uniform consisting of compulsory uniform items.
13. Every Secondary student must wear the **College blazer** on designated assembly days, and for excursions and special occasions during Terms 1 & 4, and every day during Terms 2 & 3, unless otherwise notified.
14. When the formal uniform is not required, Secondary students have the option of wearing the blazer, the College jumper, or both. The spray jacket is not a substitute unless the student is in PE uniform. The only other times the spray jacket may be worn are outside the classroom during recess and lunch. **The spray jacket is not to be worn in the classroom unless the student is in PE uniform.** The fleece hoodie with embroidered logo is only to be worn during PE or on camps.
15. Primary students may wear their spray jacket over their windcheater for both the formal uniform and the PE uniform.
16. Prep to Year 10 students are to wear the **PE uniform** all day on the day of their PE lessons. Secondary students undertaking Outdoor and Environmental Studies

are required to travel to and from the College in their formal uniform, and change into their PE uniform at the beginning of their timetabled lessons.

Years 11-12 students should wear the formal uniform to and from College every day, and change into their PE uniform for sporting lessons and activities during the day. Students may come to school and go home in their PE uniform if going on an all-day sport excursion. In either case, students must wear either the complete PE uniform or the complete formal uniform, not a combination of both.

17. Secondary students are to wear **neckties** in Terms 2 & 3. Ties are to be worn with a windsor knot and adjusted in length to meet the belt buckle or waistband. The collar button is to be done up with the tie knot neatly in place to the collar. Ties may be loosened or removed on days of extreme temperatures as instructed by the Head of Secondary. Ties should still be properly worn to and from College on such days.

Casual Dress & Swimwear

From time-to-time students may be given permission to come to school in casual dress for a specific purpose, such as fundraising. There will be notification of a casual dress day, either in the fortnightly newsletter or a communication letter prior to the day.

Students should be dressed modestly and conservatively i.e. avoid plunging necklines, bare midriffs, short skirts and shorts, provocative or inappropriate words or slogans etc. Shoulders are to be covered, and tights covered by a dress, skirt or shorts.

Students should be dressed safely i.e. sun smart, including hats for Terms 1 & 4, sturdy shoes, hair off the face and long hair tied back.

Swimwear for female students is to be one-piece. A rash vest or t-shirt is to be worn by all students when not competing/participating in swimming events/activities.

Out of Uniform Guidelines

Parents' support is vital with respect the proper wearing of uniform. A note from a parent/carer is to be supplied to the Home Group/Class Teacher if a student is unable to correctly wear the uniform, otherwise clarification will be sought.

The Head of School may grant a short-term release from the wearing of the uniform:

- For health reasons, where a doctor's certificate is provided, or
- If a parent/carer provides a satisfactory written explanation as to why the replacement of a uniform item cannot occur in the short-term.

Repeated incidents of non-conformance with the dress code will result in detentions.
